Hello from DF Concerts & Events!

We're delighted to be bringing the Summer Sessions series of events to Stirling for the first time in 2024, providing fans with 5 days of incredible music. Headline acts like James Arthur, Busted, Tom Jones and Shania Twain will play under the backdrop of Stirling Castle at Stirling Summer Sessions, and City Park will also play host to a one day festival curated by Young Fathers. Some of the brightest stars in the UK music industry will also take to the stage across 27th June - 2nd July.

We would like to thank your community representatives, Elected Members, Stirling Council Staff and local groups who have engaged with us to ensure that the interests of the community is a key part of the planning process, ensuring where possible, any disruption is mitigated to the best of our ability.

On behalf of ourselves and all the music fans attending the events, we thank all local residents for your enthusiasm, support, patience, and understanding during the planning and delivery of the shows. We look forward to Stirling enjoying these exciting events made special by the warmth and enthusiasm of its people.
