

A GUIDE FOR LOCAL RESIDENTS

Hello from DF Concerts & Events!

We're delighted to be returning to Bellahouston Park for Glasgow Summer Sessions, bringing some of the world's most exciting live artists back to the city.

We would like to extend our thanks to your Community Representatives, Elected Members, Glasgow City Council teams, and local groups who have worked closely with us throughout the planning process. Their input is invaluable in helping ensure the needs of the local community remain at the heart of these events, and that any disruption is mitigated to the best of our ability.

We are incredibly grateful to residents for your continued support, patience and understanding. We're proud to bring world-class live music to Glasgow in a way that delivers lasting cultural and economic benefit to the city.

On behalf of everyone at DF Concerts & Events, and the fans who will attend, thank you once again.

ACCESS TO THE PARK

The Glasgow Summer Sessions site is located in the South of Bellahouston Park. Construction of the event fence line will begin from **Tuesday 16 June** and installation completion is expected by **Wednesday 17 June**. For safety reasons and to keep in line with construction regulations, we will restrict access to agreed areas of the park from **Tuesday 16 June to Monday 13 July**.

Following our community meetings with all surrounding community councils and local representatives, we understand and appreciate the importance of maintaining public use and access to as much of the park as possible. Restricted pathways will be serviced by alternative routes, which will be clearly signposted.
