CHILDREN'S CANCER CHARITY

Live Nation Australia are proud supporters of My Room Children's Cancer Charity, a volunteer-led charity that understands the devastating impact of cancer on families. Their goal is to bring hope and respite to Australian families affected by this disease.

My Room believes that every child deserves a fighting chance, and the organisation works tirelessly to raise funds for holistic support.

Every September during Childhood Cancer Awareness Month, Live Nation enables a donation upsell across all its events, allowing fans to donate while purchasing tickets to their favourite events.

For more information or to donate to My Room, please visit myroom.com.au.
