GROUND CONDITIONS AND WEATHER

The Finsbury Park Events are outdoors, and most of the terrain is grass. Solid pathways or hard ground are absent in some parts of the event site. There is an incline on the route between Finsbury Park Station and the Accessible Entrance.

In the event of rain, it is important to know that the terrain will likely become muddy and wet, making it harder to navigate. We recommend using wheelchairs or mobility scooters suitable for this terrain and bringing the appropriate emergency tyre repair kit.

Whilst we hope for sunshine, please pack gear for all kinds of weather.

MEDICAL ASSISTANCE AND WELFARE

MEDICS

Medics, medical care, and supplies are available at the medical tent, next to the Finsbury Park arena entrance.

If you require urgent medical attention, please alert a member of staff who can assist you.

WELFARE

A welfare tent is located next to the medical, just inside the Finsbury Park arena entrance. Experienced and caring staff are on hand to provide confidential advice about drugs, alcohol, sexual health and general assistance, counselling, and advice for anything that is troubling you.

SENSORY CALM SPACE

There is a sensory calm tent at the event, located just outside the entrance to the food and drink area.

The aim of this space is to provide a safe, low-level stimulation and recalibration zone for any customers who need to use it.

LEAVING THE EVENT

ROAD CLOSURES AND TRAFFIC CURFEWS

Please be aware that there will be times during the event when we must enforce strict road closures and traffic curfews. This is to protect the safety of all our customers.

Road curfews on Seven Sisters Road and Stroud Green Road will be in place from approximately 21:00 to 22:45.

Please be aware that these times are subject to change at short notice.

LEAVING THE ARENA

Please leave the event via the entrance you entered at. The main flow of people will leave via another exit.

When the main headliner concludes, we strongly advise that customers on the viewing platform and in the ground-level viewing area wait in those areas until the initial crowd has left the arena before leaving themselves.

At the end of the event, we will close the accessibility exit for a short time to allow the main crowds to disperse. When the accessibility exit reopens, please show the security staff your accessibility wristband to use it.

If you wish to leave while the accessibility exit is closed, you are more than welcome to use the main exit. However, please be advised that it is a long way to Finsbury Park station from this exit, and there will be dense crowds.

If you wish to avoid the road closures or crowds at the station, you will need to leave prior to the curfew times. This will mean leaving before the headliner has finished.

There may be long queues when leaving the event by car or public transport, as vehicle curfews are necessary to allow pedestrians to leave the site safely, and everyone is trying to leave the event at the same time. It

may take you longer than usual to board a train at Finsbury Park Station or connect with a taxi or Uber.

A member of the accessibility team will be on hand at Finsbury Park Station to help you access the station and/or tube. Please be advised that this area becomes very busy at the end of the night, and there will be loud noises such as loud hailers being used. If you are affected by this, we would advise waiting for the crowds to clear and using aids such as noise cancelling headphones.

RE-ENTRY

There is no re-entry into the event. However, if you do need to leave for an urgent reason, please inform the accessibility team who will assist you where possible. Please use the same route to exit the festival as you entered.

THE ACCESSIBILITY TEAM

Our accessibility team will be on hand to look after you whilst at the event. Accessibility team members can be identified by their purple tabards.
